## Don't settle for half of the story, see both sides clearly with the dual facing Dashcam.

When a road event occurs, get the whole picture with the smartest dual-facing camera on the market. SafetyCam video, backed by the power of Azuga Fleet, provides the tools you need to keep your drivers on top of their game.

### 1. Get visibility into unsafe driving activity

Improve safety through alerts and quickly investigate risky driving video evidence to prevent accidents.

### 2. Identify and coach high-risk drivers better

Identify at-risk drivers and personalize training and rewards based on individual driving behavior data.

### 3. A Comprehensive Fleet Telematics Solution

Combining video with GPS fleet telematics in an easy to use interface - Save money while knowing what your drivers are doing.
